VISA

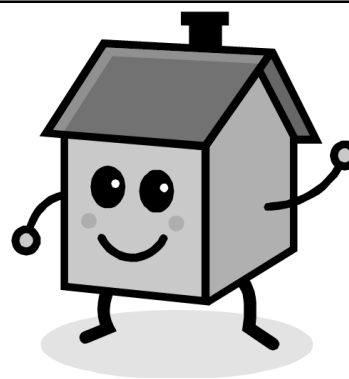

Many of you who have a credit union VISA account (not ATM/Debit Card) received information regarding a breach at a VISA processing location. We sent out a letter as soon as we were notified to all affected members and another just recently stating that we are going to be closing and reissuing all affected cards to prevent any fraudulent charges. If you have any questions regarding this issue please contact Sue at (330)669-2117 or suel@wccfcu.com.
