We are excited about being able to offer you **FREE Online BillPay** starting July 1st! We have been testing the product among the staff now for the past month and we are convinced that you are going to **LOVE** it. It is easy, secure, and can actually make paying bills fun (if you can believe that!) Plus, it saves you 42 cents for every stamp you would have used as well as saving money on the checks you would had to write!

We will be hosting some "Lunch & Learn" sessions in the next few months to help you get started using this new service. If you would like to sign up for one of these sessions, please email Chris at [cblough@wccfcu.com](mailto:cblough@wccfcu.com). You can also give us a call or stop by the credit union while you are out.
